## Weather Letter

**Re: Jubilee Claims, Notice of Intent (NOI), No.P-2009-015, Request for Financial Release, SL-01, Weather Delay.**

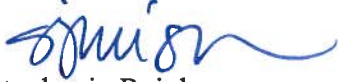

Dear Mr. Bauer;

On December 3, 2012, the Division of Reclamation, Mining, and Safety (Division) received your request for a full release of the financial warranty and termination of the above referenced NOI. The release request in conjunction with the submitted final abandonment reports meets the requirements of Rule 4.16.1. It is noted that the Bureau of Land Management (BLM) has been noticed of the request as well.

Per Rule 4.16.3 the Division shall within thirty days of receiving said report, or as soon thereafter as weather conditions permit, inspect the lands and reclamation to determine if the operator has complied with all applicable requirements. This letter is to inform Jubilee Ventures that current ground conditions, primarily snow and access prevent the inspection of the site. Therefore an inspection will be scheduled as soon as weather and ground conditions allow. This may be in late April or early May. Concurrently, if the BLM is able to visit the site prior to a Division inspection and finds the site releasable the Division can accept that assessment and approve the release. Staff will communicate with the BLM when weather improves to see which course of action will take place.

If you need additional information, please contact me at the Division of Reclamation, Mining, and Safety, Grand Junction Field Office, 101 S. 3rd St., Suite 301, Grand Junction, Colorado 81501, telephone no. 970.242.5025.

Sincerely,

Stephanie Reigh  
Environmental Protection Specialist
