RE: Request for Extension of JD-6 Due Date for Response to Adequacy Review

Dear Ms. Reigh:

Cotter Corporation (N.S.L.) ("Cotter") requests an extension of the due date for the JD-6 Mine response to the adequacy review. Pursuant to a December 17, 2012 letter from you, the due date is now January 4, 2013, and Cotter is requesting an extension until February 4, 2013. Cotter previously requested an extension of the decision due date from January 11, 2013 until February 11, 2013. The extension will allow Cotter more time to prepare the response, which is needed due to the holiday season.

Respectfully,

A handwritten signature in cursive script, reading "Glen Williams".
