PUBLIC MEETING NOTICE

The San Miguel County Board of County
Commissioners has initiated a Call-Up of the
final decision of the County Planning
Commission regarding an application sub-
mitted by Mercury Towers for a 150-foot tall
Telecommunication Tower and Facilities on a
52-acre parcel owned by Robert and
Ralph Weaver, located just north of the San
Miguel County Fairgrounds and Norwood
School, zoned Wright's Mesa (WM). The
Call-Up Procedure is a Board of County
Commissioners Review pursuant to Land Use
Code Section 120 Call-Up of Land Use
Decision by the Planning Commission.

The purpose and basis for the Call-Up is to
allow the Board of County Commissioners to
obtain additional information from Mercury
Towers and AT&T, the cell phone carrier, and
to address with more specificity a number of
questions and concerns that were raised at
the Planning Commission meeting but were
not answered. The questions and concerns
have to do with current coverage and AT&T's
obligation to improve cell service, how the
proposed installation fits into the larger
telecommunications network and the potential
options in terms of visual impacts and the
best engineering and coverage options for a
new cell phone tower to serve Norwood and
Wright's Mesa. The Board has also asked
the applicant to evaluate the feasibility or
viability of locating the proposed new cell
tower in the general vicinity of the
Uncompahgre Medical Clinic.

A public meeting on the above proposal will
be held by the Board of County
Commissioners on November 7, 2012 at
6:00 PM at the Norwood Community Center
1670 Main Street, Norwood, Colorado.
The Call-Up Procedure allows the Board of
County Commissioners to evaluate all written
materials submitted to the County
Planning Commission as well as additional
information or materials that may be submitted
prior to or during the scheduled meeting.

Written comments of more than one page
may not receive complete consideration if
not received by NOON October 31, 2012.
Send written comments to: San Miguel
County Planning Department, P.O. Box 248,
Telluride, CO 81435.

The meeting on this proposal is not limited to
those receiving copies of this notice. If you
know of any neighbor or potentially affected
property owner who, for any reason, has not
received a copy of this notice, it would be
appreciated if you would inform them of this
public meeting. If you have any questions
concerning this application please contact
the San Miguel County Planning office (970)
728-3083.
