Re: Wasatch Mine (Lode Claim 2566), NOI P-2012-001, Bond Accepted, Notice is Approved.

Dear Mr. Whinery,

The Division received and accepted the financial warranty (bond) documents you provided for your Notice of Intent. I had sent you a letter stating that the plan was approved, but that the lack of a bond was the only deficiency. Since the bond is accepted and there are no further deficiencies, your NOI is therefore approved and you may proceed with your planned prospecting.

Please be aware that you will need to respond to the requests for payment of annual fee and filing of annual report that the Division will send to you each year, on the anniversary of your Notice approval.

If you have any questions, please contact me at the Division's Durango Field Office: 691 CR 233, Room A-2, Durango, CO 81301; telephone 970-247-5193.

Sincerely,

Bob Oswald
