Subject: Notice of 110 Construction Materials Reclamation Permit Application;
Kit Carson County, Pickard, File No. M-2012-048

Dear Sir:

The Colorado Parks and Wildlife (CPW) is in receipt of the above referenced permit application and is familiar with the site. Based both on the location and type of action being proposed CPW believes impacts to the wildlife resource to be negligible. We appreciate being given the opportunity to comment.

Please feel free to contact Tom Seamans at 719-349-1246 or via email at tom.seamans@state.co.us should you have any questions or require additional information.

Sincerely,
