Angela,

I talked to Tony this morning about whether or not we need a hand signature from the "qualified person" on the TR03 drawing. Tony agreed that for this case (i.e., "qualified person"), an electronic signature is adequate. So you don't need to ask Bruce for a hand signature on the drawing. The Division has determined the previously submitted electronic signature is adequate.

I appreciate your efforts on this one.

Tim Cazier, P.E.
