**Re: Destiny Pit, Permit Application No. M-2009-056  
Approval of Extension Request**

Dear Mr. Astemborski:

As requested in your letter that we received on February 13, 2013, DRMS approves your request to extend the decision deadline for the above-referenced application. The new deadline is March 20, 2013.

If you are unable to provide satisfactory responses to any inadequacies prior to the new deadline, **it will be your responsibility to request an extension of time to allow for continued review of this application.** If there are still unresolved issues when the decision date arrives and no extension has been requested, the application will be denied.

Sincerely,

Tom Kaldenbach  
Senior Environmental Protection Specialist
