**Re: Providence Mine, Permit No. M-2012-052,
Completeness Date Extension**

Mr. Murphy:

On March 7, 2013, the Division of Reclamation, Mining and Safety (Division) received your request for extending the Completeness Date for the Providence Mine by 60 days. The current Completion Date is March 11, 2013. **The Division will extend the Completeness Date to May 10, 2013** to allow Providence Mining some time to pursue access agreements. The complete mine reclamation permit application as described in our January 7, 2013 letter must be received by May 10, 2013, or **the application may not be determined to be filed with the Office. In this case the Office may deny the application and terminate the application file.**

If you have any questions, please contact me at (303) 866-3567, ext. 8169.

Sincerely,

A handwritten signature in blue ink that reads "Timothy A. Cazier".
