RE: Bear Ranch Gravel Mine, File No. M-2013-002, Receipt of Incomplete Construction Material Limited Impact (110c) Reclamation Permit Application

Dear Mr. Czaplá:

As you are aware, Resource Engineering, Inc. (RESOURCE) is assisting Bear Ranch, LLC (Applicant) on the 110 Construction Material Reclamation Permit Application (Application) for the Bear Ranch Gravel Mine (File No. M-2013-002). We are in receipt of your second February 20, 2013 memorandum (received on February 28, 2013) with regards to public notice. Please note the following:

- 1) The newspaper paper public notice was submitted to your office in a written response submitted to your office on February 28, 2013.
- 2) Notice to owners of record of surface and mineral rights, holders of recorded easements, and all owners of record of lands within 200 feet of the boundary of the affected land are not required as the Applicant is the owner of the surface and mineral rights, there are no recorded easements, and there are no owners of lands within 200 feet of the project boundary. As such, no proof of notice will be transmitted to your office.

We trust that this is the information you require. Please do not hesitate to contact us if you have any questions or need additional information.

Sincerely,

RESOURCE ENGINEERING, INC.
