Re: Blue Grass Gravel Pit, Permit No. M-2008-001,
Administrative Approval, Revision No. AD-1

On March 19, 2013 the Division of Reclamation, Mining and Safety approved the Administrative Revision addressing the following:

This revision is to correct a typographical error in the data entry for TR-01. The affected area should have been 21.40 acres as requested in the TR, instead of the 20.40 acres approved.

The terms of the Administrative No. 1 approved by the Division are hereby incorporated into Permit No. M-2008-001. All other conditions and requirements of Permit No. M-2008-001 remain in full force and effect.
