**Re: Gold Eagle Notice of Intent to Conduct Prospecting (NOI), File P-2013-001, Received.**

Dear Mr. Fullmer,

On March 4, 2013 the Division of Reclamation, Mining and Safety received the Notice of Intent to Conduct Prospecting (NOI) named above. Besides the lack of submitting a financial warranty, the NOI materials were found complete on March 8, 2013, and the date for the Division's decision has been set for April 5, 2013. All non-confidential materials were posted on our website on March 6, 2013.

I will be contacting you soon in regard to any technical deficiencies that may be identified and/or the estimated financial warranty amount during our review.

If you have questions, I may be reached at the Division's Durango Field Office: 691 CR 233, Room A-2, Durango, CO 81301; telephone 970-247-5193.

Sincerely,

Bob Oswald  
Environmental Protection Specialist
