RE: Request for Extension of SR-13A Mine Decision Due Date

Mr. Czapla:

Cotter Corporation (N.S.L.) ("Cotter") is requesting an extension of the due date for the response regarding the radiometric survey maps for the SR-13A Mine Permit Amendment, Permit #M-1977-311, from March 22, 2013 until April 16, 2013. This should allow Cotter sufficient time to revise the radiometric survey maps in the manner that the Division has requested.

Respectfully,

Glen Williams
Vice President, Mining Operations
