**Re: Destiny Pit, Permit Application No. M-2009-056
Approval of Extension Request**

Dear Mr. Astemborski:

As requested in your letter that we received on April 10, 2013, DRMS approves your request to extend the decision deadline for the above-referenced application. The new deadline is May 19, 2013.

If you are unable to provide satisfactory responses to any inadequacies prior to the new deadline, **it will be your responsibility to request an extension of time to allow for continued review of this application.** If there are still unresolved issues when the decision date arrives and no extension has been requested, the application will be denied.

Please be advised that the decision deadline cannot be extended beyond July 22, 2013, based on the maximum 365-day extension limit specified in Rule 1.4.1(9). (The application was found complete on July 23, 2012.) After July 22, 2013, the DRMS may set the matter for a Board hearing in which the Board may deny or approve the application, with or without conditions..

Sincerely,

A handwritten signature in black ink that reads "Tom Kaldenbach".

Tom Kaldenbach
Senior Environmental Protection Specialist
