**Re: T.H.E. Aggregate Source, Acreage Reduction Approval,
Permit No. M-1977-193, Revision No. AR-1**

Dear Mr. DiLuzio:

On April 10, 2013, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 228.40 acres, through the release of 2.60 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me (303-866-3567 ext. 8169).

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Cazier".
