***RE: C-LP-21 Mine, Permit No. M-1977-305, Extension Request Approved***

Dear Mr. Williams:

On April 12, 2013 the Division of Reclamation, Mining and Safety (Division) received your request to extend the AM1 decision due date to June 14, 2013, the due date for responding to Adequacy Review 4 to May 31, 2013, and the due date for submitting revised radiometric survey maps to May 10, 2013. The due dates have been extended as requested.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dustin Czaplá", written over a horizontal line.
