Dear Mr. Lamanna:

The Division of Reclamation, Mining and Safety (Division) received your Notice of Temporary Cessation for the above referenced permit on April 22, 2013. The Notice was deemed complete for purposes of filing on April 26, 2013.

The receipt of the Notice of Temporary Cessation will be acknowledged in the monthly activity report attached to the agenda of the June 12th, 2013 meeting of the Mined Land Reclamation Board unless one or more of the following conditions occurs:

1. Reclamation or performance standard issues are indicated in the Notice of Temporary Cessation.

If one or more of the above conditions occurs, the Division will place the Notice of Temporary Cessation on the agenda for the July 17th, 2013 meeting of the Mined Land Reclamation Board. During that meeting, the Board will consider whether or not to accept the Notice.
