**Re: Approval of SR-02, Alamosa Pit No. 2, Permit No. M-1983-175**

Dear Mr. Burtraw:

On May 8, 2013 the Division of Reclamation, Mining and Safety (Division) approved your request for a reduction in surety (SR-02) from the existing \$888,995 to \$736,602.55. This is a reduction of \$152,392.45. This decision reduces the amount of the financial warranty and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current financial warranty, or submit a new financial warranty reflecting this reduction. The new amount of financial warranty shall not be less than \$736,602.55. If you wish to submit a different type of financial warranty, or have any questions regarding the appropriate execution of financial warranty forms, please contact Barbara Coria at the Division's office in Denver, phone (303) 866-3567 extension 8148.

Please contact me at the Division's office in Durango at 691 County Road 233, Suite A-2, Durango, CO 81301, phone (970) 247-5469, if I can be of greater service.

Sincerely,

Wallace H. Erickson  
Environmental Protection Specialist
