Re: 32 Road Pit, Permit No. M-1985-219 Technical Revision Application TR-2, Incomplete Request.

Alan Parkerson:

On May 23, 2013, the Division of Reclamation, Mining and Safety received your Technical Revision application **TR-2** for the 32 Road Pit Permit No. **M-1985-219**, which is located in Mesa County. The revision requested addresses the following items:

- TR to revise the topsoil seed mix and to allow for fertilizing the topsoil stockpiles with nitrogen.

Preliminary review of the information received determined that the following item must be received before the Division can consider your application as being submitted and technical review can begin:

Technical Revision Fee: \$216.00

Please submit the requested information in order for the request to be considered complete and resolve the corrective action required for the minor infraction discovered during the March 19, 2013 inspection. Please do not hesitate to call if you have any questions. You can reach me at (970) 241-2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
