Re: Hay Camp Pit, Permit No. M-1990-025, Acreage Reduction Request, Incomplete

Dear Mr. McClellan:

The Division of Reclamation, Mining and Safety received your request for an acreage reduction at the above site, on April 18, 2013. Per the rules, this request must contain the name and address of the landowner of the land encompassed by the permit and must be sent to the Division office via certified mail.

Also, please be aware that if these areas of the site are not completely reclaimed, with adequate vegetation established, the Division will not be able to approve the request.

If you have any questions, please contact me at (970) 259-5861.

Sincerely,

Kate A. Pickford
Environmental Protection Specialist
