**Re: Combination Placer, Permit Application No. M-2013-028  
Approval of Extension Request**

Mr. Vogt:

As requested in your letter that we received on June 13, 2013, DRMS approves the extension of the decision deadline for the above-referenced application for 45 days. The new deadline is August 3, 2013.

If you are unable to provide satisfactory responses to any inadequacies prior to the new deadline, **it will be your responsibility to request an extension of time to allow for continued review of this application.** If there are still unresolved issues when the decision date arrives and no extension has been requested, the application may be denied.

Sincerely,

Tom Kaldenbach  
Senior Environmental Protection Specialist
