Re: Request for Extension of Due Date for SM-18 Mine Response to Adequacy Review  
3, Permit No. M-1978-116

Dear Mr. Marshall:

Cotter Corporation (N.S.L.) ("Cotter") is requesting an extension of the due date for the SM-18 Mine Response to Adequacy Review 3, from June 24, 2013 until July 1, 2013. Cotter is requesting this extension of the due date to provide time for a more complete response to the latest adequacy review.

If you have further questions regarding this request, please call me at Cotter's Nucla office, 970-864-7347.

Respectfully,

Glen Williams  
Vice President, Mining Operations
