**RE: NOI P-2008-037, San Juan Silver Project  
Request for Withdrawal of Modification MD-1**

Dear Mr. Oswald,

Thank you for your letter dated May 23, 2013 approving MD-1 for NOI P-2008-037. The scope of Rio Grande Silver's (RGS) work has recently changed and we no longer foresee the need to utilize previously reclaimed drill pad BD-4. It is our understanding that the bond for this modification has not yet been posted. If this is the case, RGS would like to withdrawal our request for MD-1 to NOI P-2008-037.

Please call me at 719-658-1080 ext. 2701 if you have questions or comments.

Best Regards,
