RE: McStone Aggregates, New Hay Camp (112c), File No. M-2013-031
Permit Application – Adequacy Review

Dear Mr. Barton,

Listed below are adequacy review comments for the New Hay Camp (112c) Permit Application, File No. M-2013-031. The Division of Reclamation, Mining, and Safety (Division) is required to make a decision by August 8, 2013. Therefore, your response to the following adequacy review concern should be submitted to the Division as soon as possible.

1. As required by Rule 1.6.5 (2), please submit the proof of publication of the public notice circulated in the local newspaper.

Please be advised that the McStone Aggregates, New Hay Camp (112c), Permit Application may be deemed inadequate, and the application may be denied August 8, 2013 unless the above mentioned adequacy review item is addressed to the satisfaction of the Division. Response to this adequacy concern must be received by the Division to allow adequate time for review prior to the decision date. If you feel more time is needed to complete your reply, the Division can grant an extension to the decision date. This will be done upon receipt of a written waiver of your right to a decision by August 8, 2013 and request for additional time. This request must be received no later than August 8, 2013. Please be aware that depending on the answers that are received regarding the above adequacy issue, the Division may have further adequacy questions.

If you have any questions, please do not hesitate to call me at (970) 259-5861.

Sincerely,

Kate Pickford
Environmental Protection Specialist
