

### Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on August 1, 2013, a minor revision application (MR-394) to the West Elk Mine, Permit No. C-1980-007, operated by Mountain Coal Company, LLC, P.O. Box 591, Somerset, CO 81434 was considered complete for the purposes of filing. The mountain Coal Company has submitted a Minor Revision to the West Elk Mine to make a minor change to the Lower Refus Pile Drainage. he revision proposes to remove an existing culvert and replace it with an open channel ditch. There will be no change in the mine's permit or disturbed area as a result of this revision. There will be no change in the mine's reclamation liability as a result of the proposed changes in this revision. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
