RE: Rocky Mountain Aggregate and Construction, LLC.
Uncompahgre Pit 112c Application, File No. m2013007

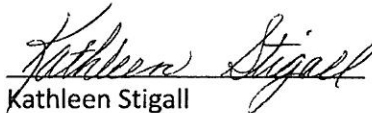

As interested parties regarding the referenced permit application, we are making a **MOTION** to request participation in the Colorado Mined Land Reclamation Board's formal hearing scheduled August 14-15, 2013 via phone conferencing.

We are very concerned of the close proximity of the mining operation, but are not able to make the trip to Denver because of current health problems.

We would be most appreciative if you would consider this request.

Thank you,

Lester Stigall
