Uncompahgre Pit 112c Application, File No. M-2013-007

As interested persons concerning the referenced application, we are making a motion to request participation in the Colorado Mined Land Reclamation Board's formal hearing, scheduled August 14-15, 2013 via phone conferencing technology. Because of the proximity of the mine location close to our home, we are highly concerned but cannot make the drive to Denver due to a Montrose Jury Summons for Aug. 15 for Sharon.

We would be appreciative of this important consideration.

Thank you,

Keith W. Rasmussen
