**Re: North River Gravel Pit Extension, Permit No. M-1999-007, 112 Construction Materials Reclamation Permit, 2013 Annual Report.**

Dear Ms. Kuck:

The Division of Reclamation, Mining and Safety (Division) received the required annual fee on May 10, 2013. However, the Division did not receive the required updated mine map that depicts the current condition of the site and the required completed questionnaire. The required items must be received no later than August 30, 2013 to avoid future enforcement action.

If you need additional information regarding this matter, please contact me at the Division of Reclamation, Mining and Safety, Grand Junction Field Office, 101 S. 3rd St., Suite 301, Grand Junction, Colorado 81501, telephone no. (970) 241-2042.

Sincerely,
