

Public Notice

The Division of Reclamation, Mining and Safety, in accordance with Title 34, Article 33, of the Colorado Revised Statutes, hereby issues notice that on August 18, 2013, a minor revision application (MR-396) to the West Elk Mine, Permit No. C-1980-007, operated by Mountain Coal Company, LLC, P.O. Box 591, Somerset, CO 81434 was considered complete for the purposes of filing. The Mountain Coal Company has submitted a Minor Revision to the West Elk Mine's permit. The revision proposes to add a short length of HDPE pipe to an existing ditch at the RPE to direct the water away from slope that tends to hold water. There is no proposed increase in the mine's permit or disturbance boundaries as a result of this revision. There will be no change to the mine's bond liability as a result of this revision. All reviews and comment periods as provided in the Act and Regulations promulgated thereunder initiate from this date of filing.
