Upper Black Squirrel Creek Basin

Upper Black Squirrel Creek GWMD

- A complaint has been received by our office stating that Dean Goss has been pumping more than his large capacity well's final permit allows. Staff is currently investigating the claim, and it is anticipated a show cause letter will be sent to Mr. Goss.

Kiowa Bijou Basin

- It was reported that the Denver Islamic Society has been using a small capacity well for unpermitted commercial purposes. Staff has sent a show cause letter to the owners and we are awaiting a response.

North Kiowa Bijou GWMD:

- Staff performed a field inspection to resolve a complaint involving the purported illegal use of five large capacity wells owned by Freund Investments. The inspection found that while the pumps have been removed from the wells and there is no current illegal use of water, the wells have not been plugged and abandoned as required by Ground Water Commission orders. An enforcement letter and a copy of the field report have been sent to the owner as well as the Ground Water Management District, who filed the original complaint. Staff will return to the well sites in the fall to ensure the wells have been properly plugged and abandoned.

Miscellaneous

- The Lost Creek – Main Stem rulemaking hearing (case no. 09-GW-13). A fact finding hearing before the Hearing Officer is scheduled for 8 days in September 2010. A rulemaking hearing before the Commission is scheduled for the November 19, 2010 meeting. In addition to the petitioner three parties requested party status.

Chris also participated in conducting the well tester's certification class that was held in Pueblo in July.
