### MEMORANDUM

TO: Dick Wolfe, Executive Director – Ground Water Commission  
FROM: Keith Vander Horst, Designated Basins Team *K.V.H.*  
SUBJECT: Staff Activity Report for May 1, 2009 through July 31, 2009

Various activities performed during the last quarter are briefly described below.

### New and Replacement Applications

Table 1 provides a breakdown, by basin, of permitting activity for the last quarter. Permit activities are summarized as follows:

#### Small capacity:

- 71 small-capacity new and replacement well permit applications were received
- 107 small-capacity new and replacement well permits were issued

#### Large Capacity:

- 47 large-capacity new and replacement well permit applications, and Determination of Water Right applications, were received
- 110 large-capacity new and replacement well permits and Determinations of Water Rights were issued

Table 2 provides details on the pending individual large-capacity new and replacement permit applications and Determination of Water Right applications.

### Change Applications

Table 1 also gives a breakdown, by basin, of change application activities for the last quarter:

- 37 new applications were received
- 18 change applications were approved

Table 3 provides details on the individual pending change applications.

### **Objections/Hearings**

Below is a list of cases pending with the Commission. Details on these cases are contained in the Attorney General's and Hearing Officer's reports. The Staff took part in pre-hearing conferences, preparation of pre-hearing statements, and otherwise worked on resolving these cases. The Booker applications were tried by the El Paso County District Court; the applicants have requested the Court to reconsider. The Upper Black Squirrel Creek GWMD Rules 17, 18 & 19 were approved by the El Paso County District Court; and have been appealed to the Colorado Court of Appeals. The Central & John Moser request to designate the Box Elder Creek basin has been appealed to the Weld County District Court.
