USES: 0-Storage, 1-Irrigation, 2-Municipal, 3-Commercial, 4-Industrial, 5-Recreation, 6-Fishery, 7-Fire, 8-Domestic, 9-Stock, L-Livestock, M-Municipal, Q-Other, S-Stock
 Data Sources: SEO's permit database and CDSS's diversion structure geodatabase.
 * Note: The estimated date of first use of these wells was taken from Aquamap's pump installation date (all other dates in this column are the date of 1st beneficial use).
 **Note: These values were taken directly from NCWA's records of well use (all other values in this column represent best estimates of well use).
 *** Any overlap among permitted & decreed wells has been eliminated
