

## HEARING OFFICER'S REPORT

Prepared for the February 16, 2018 meeting of the Colorado Ground Water Commission

The listing below summarizes all adjudicatory matters pending before the Colorado Ground Water Commission as of July 20, 2017. ***Updated/new information is indicated in bold italics. Gaps in case numbering indicate case reported on previously is closed and therefore, removed from the report.***

### Woodmen Hills Metro Dist.

Case No. 03-GW-20

Designated Basin: Upper Black Squirrel      Date of request:      Oct. 30, 2003

Subject:      Objection to (3) three applications to appropriate designated ground water from the alluvial aquifer of Black Squirrel Creek, or its tributaries and an application for a replacement plan to prevent injury to water rights of other appropriators and allow the proposed appropriation from the alluvial aquifer.      Receipt No 501564-A, B, and C.

Status:      Amended replacement plan filed and published.      Motion to vacate hearing granted.      ***The parties entered into a stipulated agreement and the Hearing Officer entered Findings on November 27, 2017. Case closed.***

### Cherokee Metro & Meridian Svc Dist.

Case No. 08-GW-71

Designated Basin: Upper Black Squirrel      Date of request:      Oct. 15, 2008

Subject:      Objection to an application for approval of a replacement plan to make new appropriations from the alluvial aquifer within the Upper Black Squirrel Creek Designated Basin.

Status:      Two weeks of hearing held June 8th thru June 19, 2009.      Case consolidated with Case Nos. 08GW78 as well as the change case filings for well nos. 9 through 12 (09GW15).      Case is presently stayed.      Supreme Court issued a decision on the ability of Meridian to Intervene in the declaratory action regarding the stipulation in 98CW80 and indicated Meridian could intervene and remanded to Water Court for further action.      Supreme Court upheld lower court ruling that nothing in the stipulation, and particularly not its use of the word "recharge," implied abandonment or forfeiture of any right Cherokee might otherwise have to claim future credits within the basin.      Matter is remanded to District Court who will then remand to the Commission for further proceedings.      ***Still awaiting remand from District Court to continue proceedings.***

**Cherokee Metropolitan District**

**Case No. 08-GW-78**

Designated Basin: Upper Black Squirrel      Date of request: Dec. 29, 2008
