
Basin Implementation Plan Status Update – December 5, 2013

Below is a status update and summary of Water Supply Reserve Account (WSRA) Basin Implementation Plan (BIP) grants for each Roundtable statewide. Additional status updates will be released as grants continue to be officially approved. If you have additional questions please email cowaterplan@state.co.us.

I. BIP Grants Under Contract and In Progress

Below is a list of BIP grants that are under contract and currently in progress (items 1-5) as of December 5, 2013. The pertinent documents for each of these "in-progress" contracts will appear online on the Colorado's Water Plan website (www.coloradowaterplan.com) on the respective basin pages soon.

1. North Platte Basin - Jackson County Water Conservancy District (sponsor), Wilson Water Group (consultant)
2. Gunnison Basin - Upper Gunnison River Water Conservancy District (sponsor), Wilson Water Group (consultant)
3. Southwest Basin - Harris Water Engineering (sponsor and consultant)
4. South Platte & Metro Consumptive - South Metro Water Supply Authority (sponsor), HDR, Inc. (consultant), the Statement of Work provided by South Metro WSA covers the Consumptive components of the BIP
5. Arkansas Basin - Southeastern Water Conservancy District (sponsor), CDM Smith (consultant), this is 1 of 2 Statement of Work documents for the Arkansas Basin

II. BIP Grants Approved by CWCB, Contracts Pending Final Approval by DNR Controller

The following BIP grants (items 6-7) have been approved by the CWCB Board and are in the procurement process, but are still pending final approval by the DNR Controller. The documentation will be available online soon, pending final approval.

6. Rio Grande Basin - Colorado Rio Grande Restoration Foundation (sponsor), DiNatale Water Consultants (consultant) – CWCB Board approved 9/2013
7. Colorado Basin - Colorado River Water Conservation District (sponsor), SGM, Inc. (consultant) – CWCB Board approved 9/2013

III. BIP Grants Approved by CWCB, Contract in Drafting Phase

The following BIP grants (items 8-10) are still in the contract drafting process and although the CWCB Board has now approved them, an official contract has not yet been generated to date. The documentation will be available online soon, pending approval.

8. Arkansas Basin - Pikes Peak Regional Water Authority (sponsor), WestWater Research (consultant) – CWCB Board approved 11/20/13
9. Yampa / White Basin - Colorado River Water Conservation District (sponsor), AMEC (consultant) – CWCB Board approved 11/20/13
10. South Platte & Metro - Ducks Unlimited (sponsor), West Sage Water Consultants (consultant), this Statement of Work provided by Ducks Unlimited covers the Nonconsumptive components of the BIP – CWCB Board approved 9/2013
