Hello Jackie,

The Eagle River Coalition is requesting party status. As a nonprofit organization that supports the health and vibrancy of the Eagle River Watershed, the Shoshone water rights are extremely important to our community and Colorado as a whole. We are not sure who would speak at this time, but please put my name down.

Vicki Flynn

Po Box 5740, Eagle, CO

Please let me know if you have any questions or need any additional information.

Thanks,

Vicki
