Hi Heather,

Yes, you have submitted the required information. I will be issuing a procedural order outlining who is a party and what next steps will look like after today's notice deadline passes, likely early next week.

Subject: Request for Party Status

Dear Jackie,

I am writing to request "Party Status" for myself and Rick Lofaro, RFC's Executive Director for the Proposed Acquisition of an Interest in the Shoshone Water Rights for Instream Flow Use on the Colorado River, Water Division 5.

Both of us can be reached at PO Box 3349 Basalt, CO 81621. Does Roaring Fork Conservancy's mailing address suffice, or do you require a home address?

As the watershed organization, Roaring Fork Conservancy is seeking party status for Rick Lofaro, Executive Director and Heather Tattersall Lewin, Science and Policy Director for the Hearing for the Proposed Acquisition of an Interest in the Shoshone Water Rights for Instream Flow Use on the Colorado River, Water Division 5. For nearly 30 years, RFC has been a voice for the rivers in the Roaring Fork Valley. We see the significance of this request and believe the outcome will impact the future of west slope water.

Please let me know if this is adequate for your needs, or if you require additional information.

Thank you.
