

# Deep Creek Wild & Scenic River Designation

Looking NW from the Overlook

Looking SE from climbing area

# Characteristics of Deep Creek

Outstandingly remarkable values (ORV's):

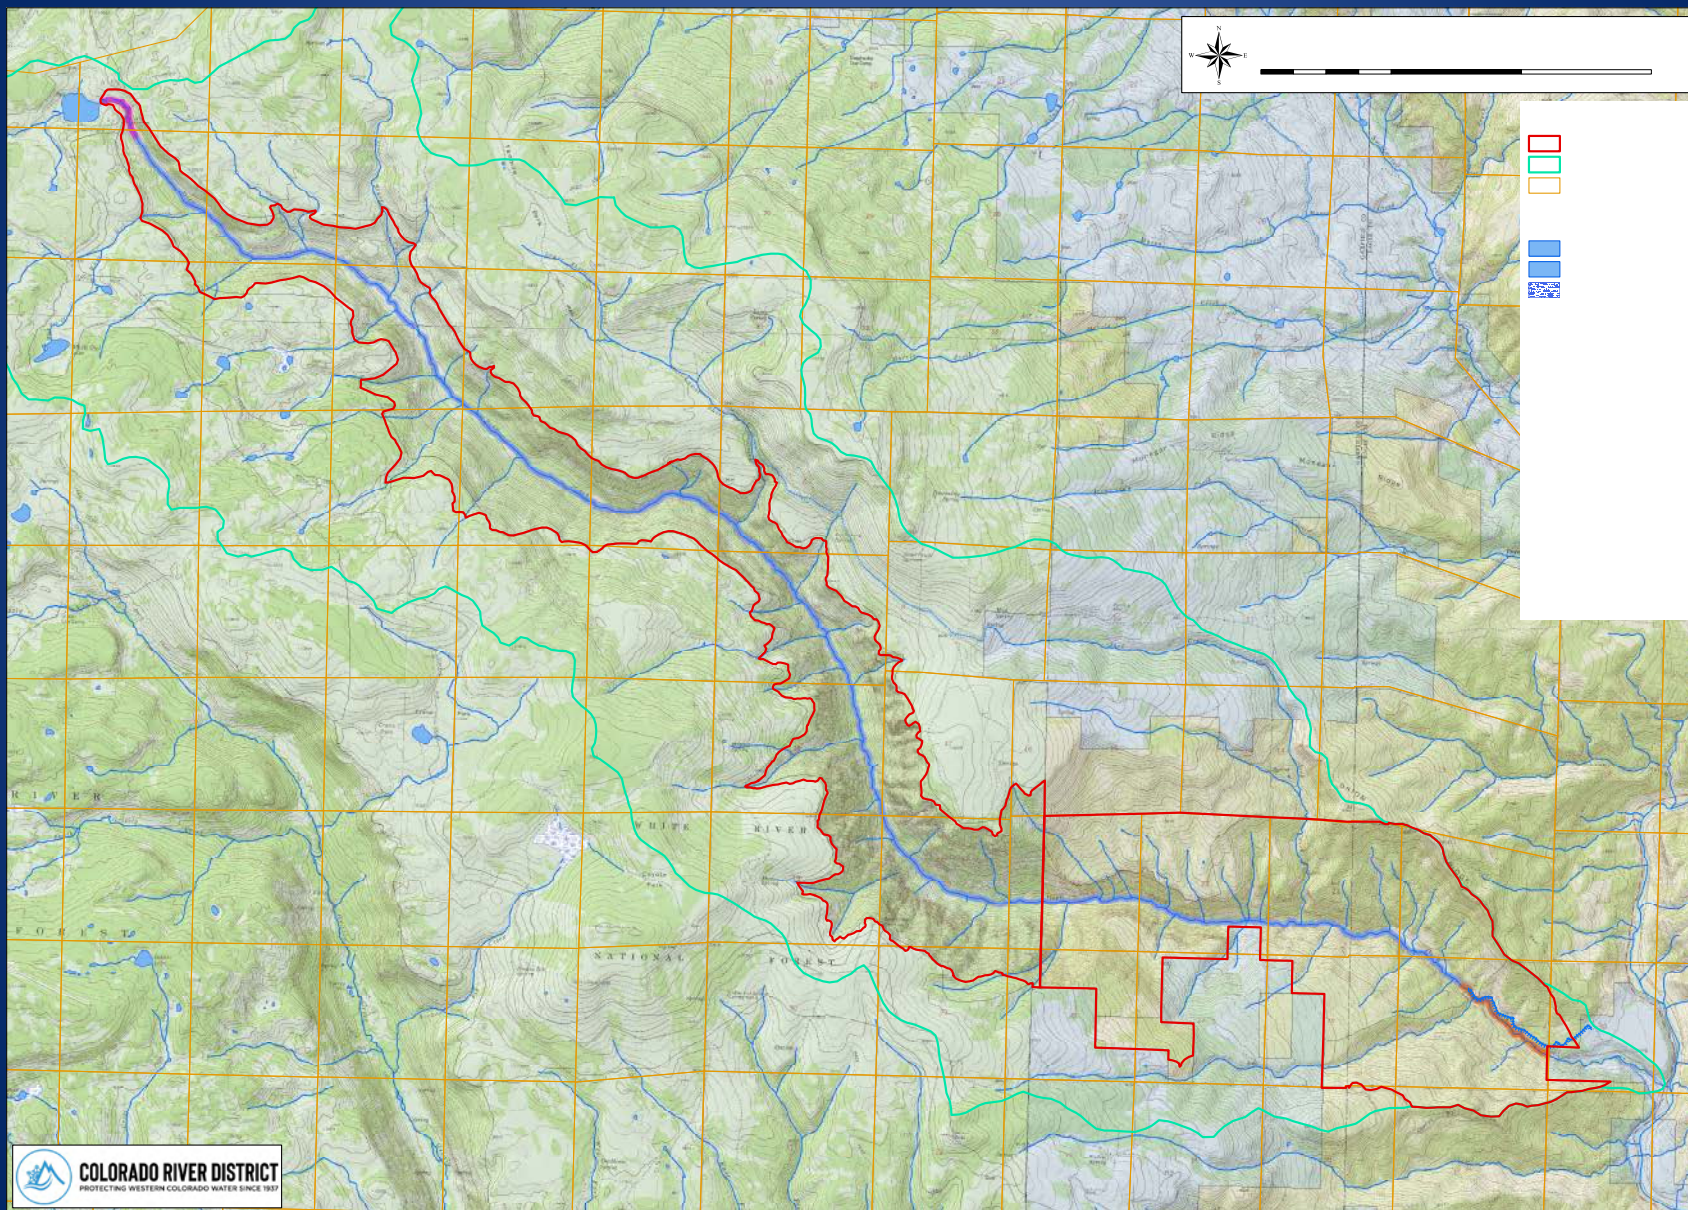

- Scenic - Obvious
- Geologic - Caves
- Ecologic - Riparian

The ISF is proposed to replace a Federal Reserve Water Right to protect and maintain the Ecologic/Riparian ORV

# Riparian Plant Communities

- Lower Section - Cottonwood, River Birch, Dogwood
- Upper Section – Willow – Carr
- Ecosystems are intact and functional.
- Supporting a rich suite of native plants and biological diversity of species.
- Resilient to a warming climate.

# Stakeholder Process – Revised Boundary
