

## Colorado Basin Roundtable

Nov. 26, 2018

Noon to 4 p.m.

**New location for this meeting: Colorado River District Board Room, First Floor, 201 Centennial St. Glenwood Springs.**

### Agenda

- 11:45**            **Pizza lunch available by Riparian Law: If you are next to it you can eat it**
- 12:00**            **Hydrology Update; Grant Report from the Center for Snow & Avalanche Studies**  
- Jeff Derry, Director
- 12:30**            **Colorado River District Board meeting regarding endorsement of the CWCB Demand Management Plan Policy**  
We will listen via teleconference as the CRD Board discusses Drought Contingency Planning and the CWCB's recent action on a Demand Management Policy. The CRD Board will contemplate endorsing the policy.
- 1:00**            **CWCB Meeting Update on its Demand Management Policy and other actions from the November Board meeting**  
Russ George, mainstem rep
- 1:30**            **Drought Contingency Planning and Demand Management**  
A review of the Upper Basin, Lower Basin DCP plans and what they mean. Also, how our Next Steps Committee will monitor the issues and work with other West Slope Roundtables to review and form recommendations to inform the work ahead.
- 2:00**            **Break**
- 2:15**            **Risk Study Phase III update:**  
Reconstituting the Technical Advisory Committee. Also we need to discuss future Endangered Fish PBO depletions that will be modeled for the mainstem. As a practical matter a lot of it will be TMD growth; 1) Denver growing into the Blue River system and growing into Moffat expansion (Gross Res), 2) Windy Gap firming, 3) ERMOU Homestake Partners project, 4) possible CS-U additional yield from the Con-Hoosier system. Add to that new WS depletions. The CWCB is about done the 5 yr PBO depletion update to see how much of the 120,000 AF allowance has been used since the PBO was signed in 1999.
- 2:45**            **Grants Work**
- Next Steps recommends \$10k WSRF grant for Las Colonias Park
  - Re-presentation on \$45k request for Robinson Ditch headgate, streambed work on Roaring Fork River

**3:15**

**Cloud Seeding Presentation**

- Dave Kanzer, Colorado River District; Maria Pastore, Colorado Springs Utilities

**3:45**

**Wrap Up**

Housekeeping matters; CWP Funding Strategy; discussion for the good of the cause
